

# TRAINING REGISTRATION FORM

<b>Certified Microbial Remediator (CMR)/Certified Microbial Remediation Supervisor (CMRS) Prep</b>	<b>Certified Residential Microbial Remediator (CRMR) Prep</b>
<p>The Certified Microbial Remediator (CMR) and Certified Microbial Remediation Supervisor (CMRS) preparatory courses are concurrent 24-hour training classes designed to prepare potential candidates for achieving professional registrations from the American Council for Accredited Certification (ACAC) (formerly the American Indoor Air Quality Council, or AMIAQ) via their CMR &amp; CMRS examinations.</p> <p>The objective of this course is to better familiarize workers and supervisors with a requisite understanding of work practices, protocols, rules, and industry standards for indoor microbial remediation.</p> <p>The course will review all industry publications which make up the required body of knowledge and cover all materials and topics to thoroughly prepare each participant for the examinations. A practice exam will be provided at the conclusion of the course, enabling participants to confirm they have mastered the required body of knowledge prior to sitting for the CMR or CMRS examinations.</p> <p>*The following courses have been awarded Continuing Education Credits:</p> <p style="margin-left: 20px;"><b>Institute of Inspection, Cleaning, and Restoration Certification (IICRC)</b> - CMRS, 2 continuing education (CE) points</p> <p style="margin-left: 20px;"><b>Restoration Industry Association (RIA)</b> – CMR and CMRS - 1.5 CECs</p> <p><b>Tuition: \$650</b></p> <p><input type="checkbox"/> August 16-18, Glen Burnie MD</p> <p><b>Number of attendees</b> _____</p>	<p>The Certified Residential Microbial Remediator (CRMR) preparatory course is a two-day (16-hour) training class designed to prepare individuals pursuing the CRMR designation from the American Council for Accredited Certification (ACAC) (formerly the American Indoor Air Quality Council, or AMIAQ) via their in-house examinations.</p> <p>The course will provide participants with an understanding of the basic principles of microbial remediation, including safety precautions, water damage restoration, and remediation techniques.</p> <p>The CRMR prep course will review all industry publications which make up the required body of knowledge and cover all materials and topics to thoroughly prepare each participant for the examination. A practice exam will be provided at the conclusion of the course, enabling participants to confirm they have mastered the required body of knowledge prior to sitting for the CRMR examination.</p> <p>*The above course has been awarded the following Continuing Education Credits:</p> <p style="margin-left: 20px;"><b>Restoration Industry Association (RIA)</b> – CRMR - 1.0 CECs</p> <p><b>Tuition: \$350</b></p> <p><input type="checkbox"/> August 16-17, Glen Burnie MD</p> <p><b>Number of attendees</b> _____</p>
