Mold Remediator Supervisor
(Virginia-approved training course)**

Mold Remediator Worker
(Virginia-approved training course)
OFFERED IN ENGLISH & SPANISH**

This three-day (24-hour) training class, approved by the Commonwealth of Virginia to obtain licensure as a Mold Remediation Supervisor, provides trainees with the understanding and knowledge of how to conduct, oversee, and manage mold remediation projects, per current relevant industry work practices and standards.

Per the requirements of the Virginia regulation, the course includes lectures, demonstrations, and hands-on activities including mold remediation setup, remediation methods, cleaning procedures, and post-remediation verification.

Upon the conclusion of instruction and training course activities, an examination will be administered. The 100-question examinations will be closed-book, multiple choice questions, with a passing score of 70% or higher required for Virginia licensure. **A certificate, recognized by the State of Virginia, will be provided to each student upon successful completion of the course.**

Fee: \$650.00

This two-day (16-hour) training class, approved by the Commonwealth of Virginia to obtain licensure as a Mold Remediation Worker, provides trainees with the understanding and knowledge of how to conduct a mold remediation, per current relevant industry work practices and standards.

Per the requirements of the Virginia regulation, the course includes lectures, demonstrations, and hands-on activities including mold remediation setup, remediation methods, cleaning procedures, and post-remediation verification.

Upon the conclusion of instruction and training course activities, an examination will be administered. The 50-question examinations will be closed-book, multiple choice questions, with a passing score of 70% or higher required for Virginia licensure. **A certificate, recognized by the State of Virginia, will be provided to each student upon successful completion of the course.**

Fee: \$400.00
